

WHY DONATE?

- Young Catholic Professionals is the only organization of its kind.
- We are proud to promote our countercultural mission: “Working in Witness for Christ.”
- Our Executive Speaker Series engages 200+ Young Catholics every month in community, faith, and prayer.
- YCP Membership promotes professional development *and* spiritual growth.

We are a new, but successful organization that challenges young professionals to seek God above all else in their personal and professional lives. We encourage these men and women to work in witness for Christ, to deepen their Catholic faith, and to engage the world as Disciples of Christ. Please consider showing your love for our organization through a monetary donation so that we can continue to reach the next generation of Catholics!

“We can do no great thing; only small things with great love.” Blessed Mother Teresa
