

Prayer When Lighting a Votive Candle

Lord,
you are blessed and the source of every
blessing.
Be with us now
and whenever we use this symbol of our
faith.
May we strive always to be transformed
into the likeness of Christ, your son,
who lives and reigns for ever and ever.
R. Amen.

Why Light a Votive?

"We cannot keep the joy of the faith to ourselves; we must pass it on." ~ Pope Benedict XVI

The practice of lighting a votive candle is both pious and symbolic. As we offer up our prayers and petitions, we light votive candles to signify the light of Christ filling our life and lighting the darkness. It is not only a physical reality, but also a spiritual experience in which we are allowing Christ to fill our soul with the joys of the faith. As Catholics, we light votive candles in our Churches and in our homes.

We can spread the light of Christ by sharing these votive candles with others as gifts for any occasion.

Light a candle. Say a prayer. Spread the Light.
